

Benefits of joining the Minnesota Transportation Alliance

“

“The Minnesota Transportation Alliance Effectively represents and informs counties, cities and townships when it comes to important transportation funding issues. Through the Alliance, we join together with private sector companies and other organizations involved in transportation to secure significant new funding including dollars for local roads and bridges. With the Transportation Alliance, we get the big picture. We're part of a coalition working to improve the safety and effectiveness of Minnesota's transportation system.”

Jodi Teich

Stearns County Engineer

“As a member of the Minnesota Transportation Alliance, our city benefits from increased state aid dollars and new funding opportunities made available through legislation the Alliance has been advocating for over the course of many years. With a strong, statewide coalition of organizations all working together, we've seen significant new funding at the state and local levels for transportation projects and programs. The Alliance continues to push new ideas and remains the voice for transportation in Minnesota.”

Steve Bot

City of St. Michael

“

“Bolton & Menk is a strong supporter of the Minnesota Transportation Alliance because we value the advocacy for impactful transportation funding and policy. This work is necessary to build and maintain a Minnesota transportation network that supports a thriving economy and safe and sustainable communities. Companies like Bolton & Menk can better serve our clients with access to timely information on key issues and opportunities, and the ability to quickly rally with others to support industry needs. We look forward to our continued partnership with this diverse Transportation Alliance coalition as we work to help Minnesota deliver a transportation system for the future.”

Ashley Hudson

Bolton & Menk

”

The Alliance is the only organization in Minnesota that brings the transportation community together to speak with one united and effective voice for increased funding - and we get results!

Keep our transportation system working.

EVENTS/NETWORKING OPPORTUNITIES

Washington Fly-In

Brings Alliance members to Washington, D.C. for scheduled meetings with the Minnesota Congressional Delegation and with other transportation leaders. It's your opportunity to network and build support for additional federal funding for transportation projects in Minnesota.

Transportation Day at the Capitol

Brings members from across Minnesota to Saint Paul for a day spent advocating for transportation funding. Members spend time meeting with and hearing from key state legislators and visiting with colleagues from all areas of Minnesota's transportation community.

Annual Meeting/Construction Forecast

The Annual Meeting provides a venue for recognizing the great work done by our members as well as providing important information regarding upcoming projects and future funding levels.

Local/Regional Meetings

We meet with our members all across the state. We organize regional meetings with our members, local officials and state legislators to focus on the issues that are important in your part of the state.

Sign up to be an event sponsor at www.transportationalliance.com

Event sponsors are recognized and highlighted at all of our events and in our publications for one annual fee! Get your organization in front of the transportation world in Minnesota.

JOIN TODAY AND START MAKING A DIFFERENCE

As a Transportation Alliance member you will receive:
