60.32 article 1, section 21, subdivision 37, is canceled. The bond sale authorization in Laws 2020,

61.1 Fifth Special Session chapter 3, article 1, section 26, subdivision 1, is reduced by the same

61.2 amount.

61.3(d) The appropriation of \$2,500,000 in Laws 2023, chapter 72, article 1, section 18,

61.4 subdivision 5, paragraph (c), is canceled. The bond sale authorization in Laws 2023, chapter

61.5 72, article 1, section 27, subdivision 1, as amended by Laws 2024, chapter 88, article 2,

61.6 section 20, is reduced by the same amount.

61.7(e) The appropriation of \$1,600,000 in Laws 2023, chapter 72, article 1, section 23,

61.8 subdivision 20, is canceled. The bond sale authorization in Laws 2023, chapter 72, article

61.9 1, section 27, subdivision 1, as amended by Laws 2024, chapter 88, article 2, section 20, is

61.10 reduced by the same amount.

61.11 **Sec. 29. BOND SALE SCHEDULE.**

61.12 The commissioner of management and budget shall schedule the sale of state general

61.13 obligation bonds so that, during the biennium ending June 30, 2027, no more than

61.14 \$1,184,495,000 will need to be transferred from the general fund to the state bond fund to

61.15 pay principal and interest due and to become due on outstanding state general obligation

61.16 bonds. During the biennium, before each sale of state general obligation bonds, the

61.17 commissioner of management and budget shall calculate the amount of debt service payments

61.18 needed on bonds previously issued and shall estimate the amount of debt service payments

61.19 that will be needed on the bonds scheduled to be sold. The commissioner shall adjust the

61.20 amount of bonds scheduled to be sold so as to remain within the limit set by this section.

61.21 The amount needed to make the debt service payments is appropriated from the general

61.22 fund as provided in Minnesota Statutes, section 16A.641.

61.23 Sec. 30. **EFFECTIVE DATE.**

61.24 This article is effective the day following final enactment.

## 61.25 **ARTICLE 2**

### 61.26 **CAPITAL INVESTMENT POLICY**

61.27 Section 1. Minnesota Statutes 2024, section 16A.86, subdivision 3a, is amended to read:

61.28 Subd. 3a. **Information provided.** All requests for state assistance under this section

61.29 must include the following information:

61.30 (1) the name of the political subdivision that will own the capital project for which state

61.31 assistance is being requested;

62.1 (2) the public purpose of the project;

62.2 (3) the extent to which the political subdivision has or expects to provide local, private,

62.3 user financing, or other nonstate funding for the project;

62.4 (4) a list of the bondable activities that the project encompasses; examples of bondable

62.5 activities are public improvements of a capital nature for land acquisition, predesign, design,

62.6 construction, and furnishing and equipping for occupancy;

62.7 (5) whether the project will require new or additional state operating subsidies;

62.8 (6) whether the governing body of the political subdivision requesting the project has

62.9 passed a resolution in support of the project and has established priorities for all projects

62.10 within its jurisdiction for which bonding appropriations are requested when submitting

62.11 multiple requests;

62.12 (7) whether the political subdivision has a plan for maintenance and preservation of the

62.13 project, including safety and security, maintenance and utility costs, availability of repair

62.14 parts and materials, sustainability, and any other criteria the political subdivision deems

62.15 relevant;

62.16 (7) (8) if the project requires a predesign under section 16B.335, whether the predesign

62.17 has been completed at the time the capital project request is submitted, and whether the

62.18 political subdivision has submitted the project predesign to the commissioner of

62.19 administration for review and approval; and

62.20 (8) (9) if applicable, the information required under section 473.4485, subdivision 1a.

62.21 **EFFECTIVE DATE.** This section is effective January 1, 2027.

62.22 Sec. 2. Minnesota Statutes 2025 Supplement, section 134.45, subdivision 4, is amended

62.23 to read:

62.24 Subd. 4. **Match.** A public library jurisdiction applying for a grant under this section

62.25 must match the grant with ~~local~~ nonstate funds.

62.26 **EFFECTIVE DATE.** This section is effective for grants awarded after June 30, 2026.

62.27 Sec. 3. Minnesota Statutes 2024, section 446A.077, subdivision 3, is amended to read:

62.28 Subd. 3. **Eligible recipients.** (a) The following are eligible recipients of grants under

62.29 this section:

63.1 (1) community public water suppliers of a community water system as defined in Code

63.2 of Federal Regulations, title 40, section 141.2, as amended;

63.3 (2) municipalities;

63.4 (3) suppliers of other residential drinking water systems; and

63.5 (4) any applicant eligible for loans and grants under the federal Safe Drinking Water

63.6 Act.

63.7 (b) All eligible recipients as part of the grant application process must apply to be listed

63.8 on the Department of Health project priority list.

63.9(c) Notwithstanding paragraph (a), recipients of grants funded by state general obligation bond proceeds under this section must be political subdivisions of the state.

63.11 Sec. 4. Minnesota Statutes 2024, section 446A.077, subdivision 4, is amended to read:

63.12 Subd. 4. **Eligible uses.** (a) An eligible recipient may use a grant provided under this program for:

63.14(1) removing and replacing lead drinking water service lines;

63.15(2) repaying debt incurred for the purposes described in clauses (1), (3), and (4);

63.16(3) providing information to residents on the benefits of removing lead service lines; or

63.17(4) performing necessary construction activities required for and associated with removing and replacing lead service lines.

63.19 (b) Grant money used for removing and replacing lead drinking water service lines under paragraph (a), clause (1), must pay for 100 percent of the cost of replacing the privately owned portions of those lines.

63.22(c) Grant money used for removing and replacing lead drinking water service lines under paragraph (a), clause (1), may pay for ~~not more than 50~~ up to 100 percent of the cost of replacing the publicly owned portions of those lines.

63.25(d) Notwithstanding paragraph (a), eligible uses of grants funded by state general obligation bond proceeds under this section are limited to removing and replacing publicly owned portions of drinking water service lines and performing necessary construction activities required for and associated with removing and replacing publicly owned portions of lead service lines.

64.1 Sec. 5. Minnesota Statutes 2025 Supplement, section 446A.082, is amended to read:

64.2 **446A.082 EMERGING DRINKING WATER CONTAMINANTS GRANTS.**

64.3 Subdivision 1. **Program established.** When money is appropriated under this program, the authority shall award grants to a governmental unit for up to 50 percent of the cost of drinking water infrastructure projects to address a confirmed exceedance of maximum contaminant level as defined by the federal Safe Drinking Water Act or a health advisory level for a drinking water emerging contaminant as defined by the Environmental Protection Agency.

64.9 Subd. 2. **Eligibility.** An eligible project for this program must:

64.10(1) be listed on the Drinking Water Revolving Fund Project Priority List under Minnesota Rules, part 4720.9015;

64.12(2) receive priority points under Minnesota Rules, part 4720.9020, subpart 2, 4, or 4a; and

64.14(3) be certified by the commissioner of health under Minnesota Rules, part 4720.9060.

64.15 Subd. 3. **Application and reservation of funds.** (a) Grant applications to the authority may be made at any time on forms prescribed by the authority, including a project schedule and cost estimate for the work necessary to comply with the purpose described in subdivision 182.

64.19(b) The commissioner of health shall review and certify to the authority those projects that have plans and specifications approved under Minnesota Rules, part 4720.9060. When a project is certified by the commissioner of health, the authority shall reserve grant funds for the project in the order listed on the commissioner of health's project priority list and in an amount based on the cost estimate in the commissioner of health's certification or the as-bid costs, whichever is less.

64.25 Subd. 4. **Grant amount.** The grant amount for an eligible project under this program shall be for an amount up to 50 percent of the eligible as-bid project cost up to \$5,000,000, minus the amount of federal emerging contaminant funds the project receives under section 446A.081, subdivision 9, paragraph (b), clause (4), or other federal emerging contaminant funds.

64.30 Subd. 5. **Grant approval.** The authority shall award a grant for an eligible project only after:

64.32(1) the applicant has submitted the as-bid project cost;

65.1(2) the commissioner of health has certified the grant eligible portion of the project; and

65.2(3) the authority has determined that the additional financing necessary to complete the

65.3project has been committed from other sources.

65.4 Subd. 6. **Grant disbursement.** Grant funds shall be disbursed by the authority as eligible

65.5project costs are incurred by the governmental unit and in accordance with a project financing

65.6agreement and applicable state laws and rules governing the disbursements.

65.7 Subd. 7. **Recovering expenses.** Money granted to a grantee under this program may be

65.8recovered in a civil action brought by the attorney general against any person who may be

65.9liable under section 115B.04 or any other law. To be eligible for recovery, the expenses

65.10must be reasonable and necessary expenses, including all response costs, and administrative

65.11and legal expenses. The authority, Department of Health, and Pollution Control Agency's

65.12certification of expenses shall be prima facie evidence that the expenses are reasonable and

65.13necessary. Any money recovered in a civil action for a project financed with bonds under

65.14this section shall be transferred to the commissioner of management and budget for deposit

65.15in the state bond proceeds fund and applied toward principal interest on outstanding bonds.

65.16 Sec. 6. Minnesota Statutes 2024, section 446A.086, subdivision 11, is amended to read:

65.17 Subd. 11. **Amount of debt obligation authorized.** The amount of debt outstanding

65.18under this section must not exceed ~~\$1,000,000,000~~ \$1,500,000,000.

65.19**EFFECTIVE DATE.**This section is effective the day following final enactment.

65.20 Sec. 7. Minnesota Statutes 2024, section 457A.03, subdivision 3, is amended to read:

65.21 Subd. 3. **State participation; limitations.** The commissioner may not provide any

65.22assistance under this chapter for more than 80 percent of the ~~nonfederal share~~ total cost of

65.23any project. Assistance provided under this chapter may not be used to match any other

65.24state funds. The commissioner shall not assume continuing funding responsibility for any

65.25commercial navigation facility project.

65.26 Sec. 8. **EMERGENCY SHELTER FACILITIES.**

65.27 Subdivision 1. **Definitions.** (a) For the purposes of this section, the following terms have

65.28the meanings given.

65.29(b) "Commissioner" means the commissioner of human services.

65.30(c) "Eligible applicant" means a statutory or home rule charter city, county, or housing

65.31and redevelopment authority established under Minnesota Statutes, section 469.003.

66.1(d) "Emergency shelter facility" means a facility that provides a safe, sanitary, accessible,

66.2and suitable emergency shelter for individuals and families experiencing homelessness,

66.3regardless of whether the facility provides emergency shelter during the day, overnight, or

66.4both.

66.5 Subd. 2. **Creation of account.** An emergency shelter facility account is created in the

66.6bond proceeds fund. Money in the account is appropriated to the commissioner to make

66.7grants under this section. Money in the account is available until encumbered or spent

66.8subject to Minnesota Statutes, section 16A.642.

66.9 Subd. 3. **Project criteria.** The commissioner shall prioritize grants under this section

66.10for projects that improve or expand emergency shelter facility options by:

66.11(1) adding additional emergency shelter facilities by renovating existing facilities not

66.12currently operating as emergency shelter facilities;

66.13(2) adding additional emergency shelter facility beds by renovating existing emergency

66.14shelter facilities, including major projects that address an accumulation of deferred

66.15maintenance or repair or replacement of mechanical, electrical, and safety systems and

66.16components in danger of failure;

66.17(3) adding additional emergency shelter facility beds through acquisition and construction

66.18of new emergency shelter facilities; and

66.19(4) improving the safety, sanitation, accessibility, and habitability of existing emergency

66.20shelter facilities, including major projects that address an accumulation of deferred  
66.21maintenance or repair or replacement of mechanical, electrical, and safety systems and  
66.22components in danger of failure.

66.23 Subd. 4. **Eligible uses of grant money.** A grant under this section may be used to pay  
66.24for 100 percent of total project capital expenditures or a specified project phase, up to  
66.25\$7,000,000 per project.

66.26 Subd. 5. **State and local building codes met.** All projects funded with a grant under  
66.27this section must meet all applicable state and local building codes at the time of project  
66.28completion.

66.29 Subd. 6. **Lease or management agreements.** An eligible applicant may enter into a  
66.30lease or management agreement for operation of the emergency shelter facility, subject to  
66.31Minnesota Statutes, section 16A.695.

66.32 Subd. 7. **Competitive request for proposal process; priority.** (a) The commissioner  
66.33must use a competitive request for proposal process to identify potential projects and eligible  
67.1applicants on a statewide basis. At least 40 percent of the appropriation for this purpose  
67.2must be awarded to projects located in greater Minnesota. If the commissioner does not  
67.3receive sufficient eligible funding requests from greater Minnesota to award at least 40  
67.4percent of the appropriation for this purpose to projects in greater Minnesota, the  
67.5commissioner may award the remaining money to other eligible projects.

67.6(b) The commissioner must prioritize project applications in the following order:

67.7(1) projects that include a lease or management agreement for operation of the emergency  
67.8shelter facility and the eligible applicant will provide at least ten percent of total project  
67.9funding;

67.10(2) projects that include a lease or management agreement for operation of the emergency  
67.11shelter and the eligible applicant will provide less than ten percent of total project funding;  
67.12and

67.13(3) all other projects for which the eligible applicant will provide at least ten percent of  
67.14total project funding.

67.15 Sec. 9. **CLOQUET FORESTRY CENTER; LAND TRANSFER.**

67.16(a) The commissioner of administration must convey for no consideration all state-owned  
67.17land within boundaries of the Cloquet Forestry Center to the Board of Regents of the  
67.18University of Minnesota.

67.19(b) The conveyance must be in a form approved by the attorney general. The attorney  
67.20general may make changes to the land description to correct errors and ensure accuracy.

67.21(c) The land to be conveyed is located in Carlton County and is described as follows:

67.22(1) the Southeast Quarter of the Northwest Quarter of Section 30, Township 49 North,  
67.23Range 17 West;

67.24(2) the East Half of the Northeast Quarter of Section 36, Township 49 North, Range 18

68.617 West.

68.7 Sec. 10. **CLOQUET FORESTRY CENTER DEFEASANCE OF GENERAL**

**68.8 OBLIGATION BONDS; APPROPRIATION.**

68.9 \$1,300,000 in fiscal year 2027 is appropriated from the general fund to the commissioner  
 68.10 of management and budget to prepay and defease any outstanding state general obligation  
 68.11 bonds used for improvements and betterments at the University of Minnesota Cloquet  
 68.12 Forestry Center, and other associated financing costs to facilitate the university's goal of  
 68.13 returning this land to the Fond du Lac Band of Lake Superior Chippewa. This amount may  
 68.14 be deposited, invested, and applied to accomplish the purposes of this section as provided  
 68.15 in Minnesota Statutes, section 475.67, subdivisions 5 to 10 and 13. Upon the prepayment  
 68.16 and defeasance of all associated debt on the real property and improvements, all conditions  
 68.17 set forth in Minnesota Statutes, section 16A.695, subdivision 3, shall be deemed to have  
 68.18 been satisfied and the real property and improvements shall no longer constitute state bond  
 68.19 financed property under Minnesota Statutes, section 16A.695. This is a onetime appropriation.

**68.20 Sec. 11. BCA MARYLAND BUILDING.**

68.21 Notwithstanding any law, rule, or ordinance to the contrary, a building permit under the  
 68.22 State Building Code is not required to construct a new perimeter eight-foot security fence  
 68.23 and access controls at the BCA Maryland Building site, as enacted in Laws 2023, chapter

### 72.13 **TEMPORARY REGISTRATION TAX REDUCTION**

72.14 Section 1. **TEMPORARY REGISTRATION TAX REDUCTION.**

72.15 Subdivision 1. **Applicability.** This section applies to taxes payable under Minnesota

72.16 Statutes, section 168.013, subdivision 1a, for a registration period starting on or after January

72.17 1, 2027, and on or before December 31, 2027.

72.18 Subd. 2. **Registration tax reduction.** For the period specified in subdivision 1 only, the

72.19 commissioner of public safety must calculate the registration tax owed on a vehicle under

72.20 Minnesota Statutes, section 168.013, subdivision 1a, using the following rates instead of

72.21 the rates provided in that section:

72.22 (1) the rate for a vehicle under Minnesota Statutes, section 168.013, subdivision 1a,

72.23 paragraph (a), clause (1), is 1.25 percent; and

72.24 (2) the rate for a vehicle under Minnesota Statutes, section 168.013, subdivision 1a,

72.25 paragraph (a), clause (2), is 1.285 percent.

72.26 Subd. 3. **Limitation.** The amount paid or due on a vehicle using the rates provided in

72.27 subdivision 2 must be disregarded for the purposes of Minnesota Statutes, section 168.013,

72.28 subdivision 1a, paragraph (g).

72.29 Subd. 4. **Implementation.** The commissioner of public safety must include the following

72.30 information on a vehicle's registration tax invoice:

73.1 (1) a brief statement informing the vehicle owner that, due to legislative action in 2026,

73.2 the registration tax rate for the vehicle has been temporarily reduced; and

73.3 (2) the difference between the amount of registration tax that would have been due under

73.4 Minnesota Statutes, section 168.013, subdivision 1a, and the amount of registration tax due

73.5 under subdivision 2.

73.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

73.7 Sec. 2. **TRANSFER.**

73.8 \$254,000,000 in fiscal year 2027 is transferred from the general fund to the highway

73.9 user tax distribution fund. This is a onetime transfer.

73.10 **EFFECTIVE DATE.** This section is effective the day following final enactment."
