Transportation For A Strong Minnesota

Traffic Crashes and Fatalities Are On the Rise

Minnesota Needs to Invest in Transportation Infrastructure to Improve Safety – NOW

Join Us at the State Capitol for a Safety Awareness Event – April 19th 11:30 am

Front steps of the State Capitol Building

April is Distracted Driving Awareness Month

April also features National Work Zone Awareness Week

As the Legislature Debates a Transportation Funding Package Legislative Leaders and the Governor should pay attention to the growing problem of traffic injuries and fatalities on our roadways
