Consulting Group, Inc.

Established in 1961, SRF Consulting Group has been a prominent force in the transportation industry for over 45 years, constructing highway interchanges, building bridges, and planning statewide transportation systems. SRF's team of distinguished engineers, planners, and designers headquartered in Minneapolis, have delivered numerous large-scale infrastructure projects over the years, such as Carlson Parkway, the Smith Avenue High Bridge in Saint Paul, the 3rd Avenue Distributor Garages in Downtown Minneapolis, I-35E in Saint Paul, and the Bloomington Ferry Bridge over the Minnesota River in Shakopee.

Today, SRF is recognized as one of Star Tribune's top workplaces, and is a leading consulting engineer for the transportation industry.
