Stantec

Founded in 1954 by the first Canadian to earn a Ph.D in environmental engineering, Dr. Don Stanley, SRF traces its transportation roots back to the hiring of Stanley's initial partners with renowned transportation backgrounds; retired railway engineer, Herb Roblin, and a former chief bridge engineer for the Canadian provincial government, Louis Grimble in 1955.

Today, Stantec is recognized as a world-class leader and innovator in the delivery of sustainable solutions, and is a leading consulting engineer for the transportation industry.
